Shared Prosperity **Dignified Life**

## **VISION**

ESCWA, an innovative catalyst for a stable, just and flourishing Arab region

## **MISSION**

Committed to the 2030 Agenda, ESCWA's passionate team produces innovative knowledge, fosters regional consensus and delivers transformational policy advice. Together, we work for a sustainable future for all.

# Voice and image of One Organization

Inclusive sustainable development can only be achieved when information, knowledge and expertise are delivered to recipients in their own language through well-targeted, accessible and visible conferences and content. This establishes the central role of the Conference Management Section (CMS) in the multidisciplinary mandate of the Economic and Social Commission for Western Asia (ESCWA).
