## دور البرلمان في تنفيذ أهداف التنمية المستدامة

## LAWMAKING TO IMPLEMENT NATIONAL DEVELOPMENT PRIORITIES

- Identify which goals require new laws or amendments.
- Prioritize those law reforms and amendments.
- Create a comprehensive **legislative reform agenda**.

*Ex: Draft laws submitted by Parliamentarians*

# ACCOUNTABILITY, MONITORING 2030 AGENDA IMPLEMENTATION

- Accountability for SDG implementation is critical to ensure that the 2030 Agenda is effective in delivering results for people

*Ex: Committee inquires, questions and interpellations*

## REPRESENTATION – ENSURING PARTICIPATION

- Create mechanisms to foster and promote participatory lawmaking and oversight
- Ensure that systems are in place so that all citizens – especially those left behind – can access parliament and parliamentarians

*Ex: Public Consultations, Party Consultations*

## BUDGETING PROCESS FOR IMPLEMENTING SDGS

- Ensure budget delivers for SDGs and seeks to reach the most marginalized and vulnerable
- Gender-sensitive budgeting
- Be aware of private sector funds, funding from charities, ODA, foreign direct investment, etc.

*Ex: Assist Executive in budget formulation, specialist committees*
